Character

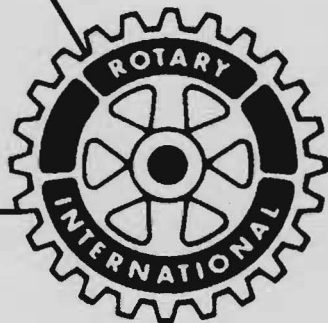

Bobbi is the true definition of a Student Athlete. All her athletic achievements are a result of her hard work and dedication in the classroom and on the field. Athletes like Bobbi do not come around very often, but when they do it is a blessing to the coaches and the team. She has recognized her God - given talents and has worked hard in developing those skills to help accomplish her goals in life. Bobbi is a true leader on and off the field. She sets high standards for herself and demonstrates great character. Her energy and work ethic is contagious in a team setting. The high standards of excellence that she sets for herself both on and off the field are a true definition of her character, and a great example to her teammates. It has been a real blessing to have coached a student athlete like Bobbi Gonzalez the last few years. She has been an important piece in our team's success throughout her time here.

Goals

I plan to attend an in State University and major in sports medicine. After college, I plan to attend graduate school and receive my master's degree. I am extremely dedicated, determined and motivated to attain the best possible education that I know I am capable of. With that education I will strive to succeed in my career.
