SIGNED PARKING CONTRACT: YES _____ NO _____

ASSIGNED PARKING SPOT #: _____

Parking Contract

Application:

Parking a private vehicle on school property is a courtesy extended to students and visitors. Permission to park on school property may be rescinded by the administration for any student who does not observe the following regulations:

1. All vehicles must be registered and must display a GCHS hanging tag. Parking passes will cost \$30.00 per tag and will be available at the start of the school year. Tags will be assigned to students with a valid driver's license, auto registration, and proof of insurance. Replacement for lost or stolen tags will be \$10.00.
2. Students must park only in the areas of the lots designated as student parking. Failure to follow this rules will result in the automatic suspension of parking privileges or towing of the vehicle.
3. All cars are to be parked in properly designated space. Do not park in the handicap spaces unless there is properly displayed handicap parking sticker posted on the vehicle.
4. Always observe save driving habits, especially a 10 mile – per- hour speed limit. Parking permits will be revoked for driving violations.
5. Students are not allowed to go to their cars during the school day without the permission of an administrator. Students may not loiter in the parking lot area during the day, before or after school.
6. The administration will investigate violations of school rules involving the parking lots and/ or automobiles including requiring the student(s) to show the contents of the automobile whenever a school official has reasonable grounds to believe that illegal or unauthorized materials are contained inside.
7. Charter Schools USA assumes no responsibility for damages to cars or for theft of cars or articles from cars.
8. Parking decals are not transferable from one vehicle to another. Your must have a parking decal for every vehicle that you drive to school. If you sell your car, you must turn in your decal to the office and register your new vehicle. Students who park on campus without a valid parking permit are subject to school discipline.
9. Students are permitted to park on school premises as a matter of privilege, not of right. Gateway Charter High School retains its authority to conduct routine patrols of student parking lot and inspections of the exteriors of student's vehicles parked on school property. Such patrols and inspections may be conducted without notice, without student consent, and without a search warrant. The interiors of students' vehicles may be inspected whenever a school official has reason to suspect ("reasonable suspicion") that illegal or unauthorized materials are contacted inside.
10. Tardies to school will be strictly enforced using the code of conduct. After your 4th tardy to school there will be an administrative review and your parking pass may be revoked.

I agree to abide by the above parking lot regulations at Gateway Charter High School while parking a vehicle on campus. I understand that failure to comply with said regulations may result in loss of parking permits and that registration fees will not be refunded if parking privileges are revoked.
